Know

NEWS AND KNOWLEDGE FROM THE NATIONAL INTRAMURAL-RECREATIONAL SPORTS ASSOCIATION • NOVEMBER 2003

New beginnings, new possibilities

This is the final edition of the *NIRSA Know* in a printed form, at least for the time being. Beginning in January 2004, this newsletter will come to you in an electronic form via email and the Internet. While we have enjoyed our relationship with Executive Business Media, publisher of *Recreational Sports & Fitness* magazine, *RSF* will no longer be the official magazine of NIRSA after the November 2003 issue. The *NIRSA Know* newsletter has been the centerpiece of *RSF* since its inception in 1999.

An electronic newsletter, along with greater linkage to the nirsa.org website, will allow us to fully embrace new technologies, reduce production and distribution costs, and ultimately communicate more effectively, and with greater frequency, to members.

Since this is the last printed version within *Recreational Sports & Fitness* magazine, we dedicate this newsletter to the three highest rated NIRSA member services, our 2004 Annual Conference & Recreational Sports Exposition, and our 'Members on the Move' and new members' listings.

Your feedback on our new online initiative is welcome and encouraged. Please send your comments to Sarah Hubert, Communications Specialist: sarah@nirsa.org.

Get Your Kicks on Route 66!

Get out that map ... it's time to plan a road trip to Albuquerque!

You'll definitely get your kicks on scenic Route 66 at the 2004 NIRSA Annual Conference & Recreational Sports Exposition in Albuquerque, New Mexico. For five days beginning April 17, 2004, you can truck on down that famous highway with your peers, colleagues, supporters, and good friends to learn the latest innovations and trends in recreational sports. Attend more than 100 educational sessions that are guaranteed to accelerate your interest with new ideas to take back home.

There will be no detours on this educational highway when you listen to some of the finest professional speakers address significant and timely issues. You'll have a chance to visit one-on-one with more than 120 exhibitors who will impress you with their latest products and services.

For those of you eager to explore new job possibilities or fill positions available at your institution or agency, you can shift into over-drive at the NIRSA Foundation Career Opportunities Center.

On Tuesday, April 20, at noon, "Take a Student to Lunch." Mentoring a student into the NIRSA family is one of the most positive, productive, and rewarding things you can do to advance the future of the Association.

You can also help students receive scholarships to attend future NIRSA Annual Conferences by contributing to the NIRSA Foundation and by supporting its mission through participation in the T-Shirt Quilt Auction, and the NIRSA Foundation Golf Tournament.

As always, we save the best night for last when we pay tribute to those receiving NIRSA's highest awards at the annual Honor Awards Banquet; this year it will be on Wednesday night, April 21, 2004 from 6:00pm - 10:00pm.

NIRSA Hotel Room Block

NIRSA encourages all 2004 NIRSA Annual Conference & Expo attendees and exhibitors to reserve their hotel lodging within the NIRSA room block. NIRSA relies on strong room block usage to offset Annual Conference expenses, secure ample meeting space, and increase negotiating leverage for future conferences. Fewer-than-expected conferees and exhibitors staying within the NIRSA room block may result in significant financial penalties to the Association and diminished negotiating ability with hotels and convention centers for future conferences. The Association faced steep attrition penalties (hotel fines) following the 2003 conference in Cleveland.

As an incentive for attendees/exhibitors to reserve hotel rooms within the NIRSA room block at the 2004 Annual Conference, only those staying within the room block will have access to complimentary transportation for the off-site social venues.

The official hotels for the 2004 Annual Conference are the Hyatt Regency Albuquerque, the DoubleTree Hotel Albuquerque, and the Hotel Blue. Each of these hotels is offering special conference prices. Attendees can make reservations by calling the toll-free numbers listed below. To take advantage of the NIRSA rates, book your reservations by March 17, 2004. After this date, hotels may charge higher rates. All rates are subject to 10.81% state and local tax (subject to change).
